

**ORDINANCE # \_\_\_\_\_**  
**TOWN OF NEWPORT TOURIST ROOMING HOUSES**

The Town Board of the Town of Newport, Columbia County, Wisconsin, does ordain as follows:

**(A) Purpose and Applicability.** This Ordinance shall govern the review, approval and licensing of Tourist Rooming Houses in the Town of Newport. Aside from Ordinary Maintenance and Repair, any enlargement, modification, intensification, or change in prior approval condition for such use shall require a new review, approval and license under this section. Use of a subject property as a Tourist Rooming House, legally established by a County Conditional Use Permit and licensed by the State prior to the effective date of this section July 15, 2014, but is now allowed under this Ordinance, shall be deemed to be properly licensed if it has already received a County Conditional Use Permit. The continued use of the subject property, including any modification, is subject to the provisions of this Ordinance, as may be amended from time to time.

**(B) Definitions.**

**(1) Ordinary Maintenance and Repair.** Repairs reasonably necessary to prevent the deterioration of a Tourist Rooming House, remodeling of the Tourist Rooming House, and necessary nonstructural repairs and alterations that do not extend, enlarge, or intensify the Tourist Rooming House.

**(2) Tourist Rooming House.** Any lodging place or tourist cabin or cottage where sleeping accommodations are offered for pay to tourists or transients for a period not less than 1 night and not more than 29 consecutive nights. "Tourist rooming house" does not include:

**(a)** A private boarding or rooming house, ordinarily conducted as such, not accommodating tourists or transients.

**(b)** A hotel under Wis. Stats. §97.01(7).

**(c)** Bed and breakfast establishments under Wis. Stats. §97.01(lg).

**(3) Tourist/Transient.** A person who travels to a location away from his or her permanent address for a short period of time for a vacation, pleasure, recreation, culture, business or employment, and who pays to lodge at a Tourist Rooming House.

(C) **General Provisions.**

(1) **Findings.** The Town of Newport desires to maintain the essential single family, owner-occupied or fulltime renter resident occupied character of the Town, particularly in the more densely developed areas of the Town. The Town has concerns that when Tourist Rooming Houses are located at too high of densities, located in too close a proximity to one another, and/or used as an income generating business, such uses may be detrimental to or endanger the character of the area and the public health, safety, and general welfare of the residents of surrounding lands, or could impair or diminish the use, value, or enjoyment of existing or future permitted uses in the area.

(2) **Density.** In considering density, the Town Board, among other factors, is to give consideration to the following factors:

- (a) If the house sought to be licensed has been previously used as a tourist rooming house, then whether that Tourist Rooming House was legally established and licensed by the State and has received a County Conditional Use Permit, and operated according to that license and permit prior to the effective date of this ordinance.
- (b) Whether the surrounding area is largely occupied by tourist-and/or recreation-oriented uses as opposed to single-family, owner-occupied residences.
- (c) Whether topography, dense vegetation, or other feature effectively mitigates the impact of a lesser distance between Tourist Rooming Houses.
- (d) Other factors which, in the Town's determination, are unique to the circumstances of the new Tourist Rooming House and/or existing Tourist Rooming House.

(3) **Ownership.**

- (a) No Tourist Rooming House License shall be issued to any person for property the applicant has not owned for at least two years prior to the date of application. Property owned by a limited liability company shall be considered to be in the same ownership as ownership by the individual members of the LLC if such ownership and membership are identical. Property in the ownership of a trust shall be considered to be in the same ownership as ownership by the trustee or beneficiary of the trust if identical.
- (b) No person shall be permitted to own or operate more than one

tourist rooming house in the Town nor shall multiple persons residing in the same household be permitted to operate multiple tourist rooming houses. A tourist rooming house owned in the name of a corporation, limited liability company, partnership or similar entity shall be considered owned by the same person as another tourist rooming house for purposes of this subsection if any individual natural person derives any income from the operation of both tourist rooming houses.

**(4) Amount of Use as a Tourist Rooming House or Related Occupancy.** No Tourist Rooming House may be rented to more than one person/group within a consecutive 7 day period and, accordingly the Tourist Rooming House may not be rented out more than 52 times a year.

**(5) License Application Review Procedure.** Each applicant for a Tourist Rooming House License shall first make application for a conditional use permit with the Columbia County Planning and Zoning Department, and then fill out a Town license application so that Town consideration of the County conditional use permit takes place concurrent with its consideration of the license application. Upon receipt of a complete application meeting all of the requirements of subsection (5), and a report from the Columbia County Planning and Zoning Department, the Town Clerk shall schedule a public hearing before the Town Plan Commission. This hearing shall occur concurrently with consideration of the petitioner's application for a conditional use permit with the County. After this hearing the Plan Commission shall recommend that the Town Board approve, approve with conditions, or reject the application for a license at the same time as its recommendation on the conditional use permit. Within 30 days of the Plan Commission recommendation, the Town Board shall act to approve, approve with conditions, or reject the conditional use permit and license application. No license application which has been rejected under this subsection shall be resubmitted until the passage of a period of twelve months from the date of final Town Board action, except on grounds of new evidence or proof of change of factors found valid by the Town Board.

**(6) Town License Application Information.** Each complete application to the Town for a Tourist Rooming House License under this section shall include the following:
