First, discuss with your local assessor – questions can often be answered by the assessor during the Open Book process and not require an appeal to Board of Review (BOR).
To file a formal appeal – give notice of your intent to appeal by contacting the BOR clerk at least 48 hours before the BOR begins. Complete and file your appeal form with the BOR clerk no later than the first two hours of the BOR's first meeting. Make sure you file a completed form or the BOR may not review your appeal.
For more information on the appeal process: <ul style="list-style-type: none">• Contact your municipal clerk listed on the right.• Review the "Guide for Property Owners" (https://www.revenue.wi.gov/Pages/HTML/govpub.aspx). Notice of Assessment

This notice of assessment has important information for you as a property owner.

No action is required

unless you disagree with your new assessed value.

IMPORTANT DATES

Effective Assessment Date

State law (Sec. 70.10, Wis. Stats.) requires assessed values to be estimated as of January 1st each year.

Open Book

Refers to a period of time when the completed assessment roll is open for examination. This period of time is an opportunity to discuss your assessed value with the assessor. You may request a change to your assessed value during the Open Book. The assessor may consider such a request based on a review of reasoning and evidence.

Board of Review (BOR)

The BOR is a quasi-judicial body that operates like court. The BOR's function is to hear evidence and testimony for any formal objections to assessments and decide whether to uphold or change the assessment. Under state law, the BOR must presume the assessor's valuation is correct unless the objector provides sufficient evidence to overcome that presumption. If you do not take action at the BOR, this may result in the loss of any further appeal options for your assessment.

Assessment Information

State law (sec. 70.32, Wis. Stats.) requires the assessment of taxable property (except agricultural, agricultural forest, and undeveloped) at full value as of January 1 each year. Assessments at a percentage of full value are acceptable when applied uniformly. To determine if your assessment is fair, you must analyze it in relation to full value. This is done by dividing your assessment by the general level of assessment for your municipality.

Under Wisconsin law, generally, the assessor may not change the assessment of property based solely on the recent arm's length sale of the property without adjusting the assessed value of comparable properties in the same market area. For information on the assessment of properties that have recently sold, visit the Internet site of the Department of Revenue at <https://www.revenue.wi.gov/Pages/ERETR/data-home.aspx>.

Agricultural Land Conversion Charge

State law (sec. 74.485, Wis. Stats.) requires a charge for land converted from agricultural use to residential, commercial, manufacturing, or exempt. If you disagree with the assessment, you may appeal the conversion, classification change from agricultural at the local Board of Review (BOR).

See the *Agricultural Assessment Guide* (<https://www.revenue.wi.gov/Pages/HTML/govpub.aspx#property>) and Use-value Conversion Charge common questions (<https://www.revenue.wi.gov/Pages/FAQS/home-pt.aspx>) for additional information.

New Construction

State law (Sec. 70.10, Wis. Stats.) requires that all general property must be assessed as of January 1st. If a property is under construction on January 1st, the assessor determines the value of the partially constructed buildings or improvements as of that date. Property taxes for the current year will be based on the assessed value as shown on your notice of changed assessment.
