Town Of Newport

Dated: September 10th 2019

Effective: As soon as proper signage is posted

Speed Limit Ordinance 2019-1 Kurtz Drive.

The Newport Town Board hereby sets the speed limit at 25 miles per hour on Kurtz Drive from Newport Drive to Winnebago Road.

Justification:

The Newport Town Board hereby determines that the statutory speed limit on Kurtz Drive from the intersection with Newport Drive to the intersection with Winnebago Road shall be 35 miles per hour as set by the fixed limits State Statute as stated in Wis. Stats. §346.57(4)(a). A town board has authority under local government authority as set in Wis. Stats. §349.11(3) and (7)(a) to further lower the speed limit by up to 10 miles per hour. A supporting study of the area indicates that the road segment in question is in compliance with the fixed limits stated in Wis. Stats. §346.57(4)(a).

The Newport Town Board has also received a petition signed by 18 residents dated July, 2019 requesting that the speed limit be lowered to 25 miles per hour "for the safety of the children and residents" living there.

Matt Brunn, Chair, Town of Newport

Chris Davis, Supervisor, Town of Newport

Patrick Beghin, Supervisor, Town of Newport

Newport Town Board,

We; the residents of Newport Hills Subdivision are requesting a change of the speed limit posting on Newport Drive and Kurtz Drive. Columbia County has recently installed posts and speed limit signs showing 45mph, which a county worker agreed is to high for this area. This residential area has many small children and multiple 90 degree turns and corners, we are asking that the speed limit be changed to 25mph for the safety of the children and residents that live here. Your action to correct this problem is necessary and appreciated. Attached is a signed petition from the residences of Newport Hills who are in agreement.
